

Producing evidence syntheses on violence and abuse: reflections on the disciplinary variations and practicalities

Natalia Lewis, University of Bristol

Elizabeth Cook, City, University of London

Jessica Corsi, City, University of London

Sophie Carlisle, Health Innovation East Midlands

LSHTM/EPPI Centre - London Evidence Syntheses and Research Use Seminars

17 July 2024

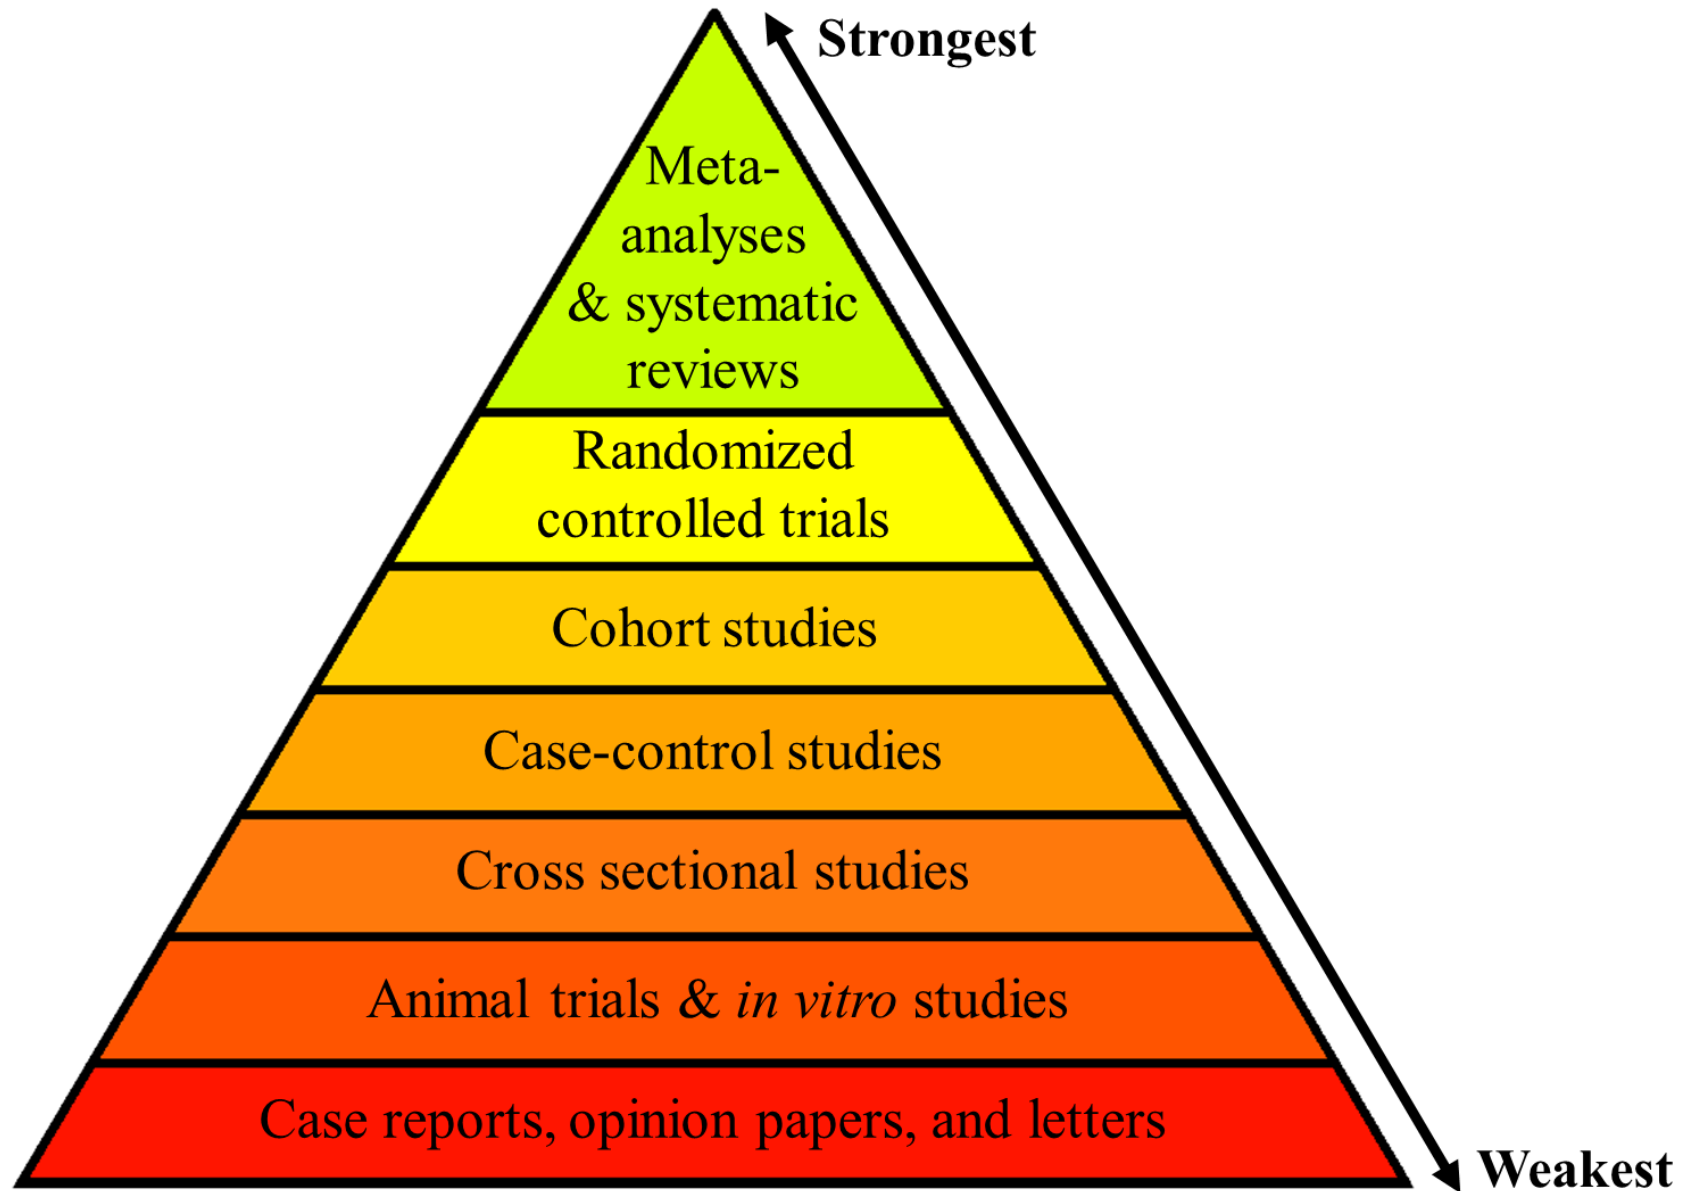

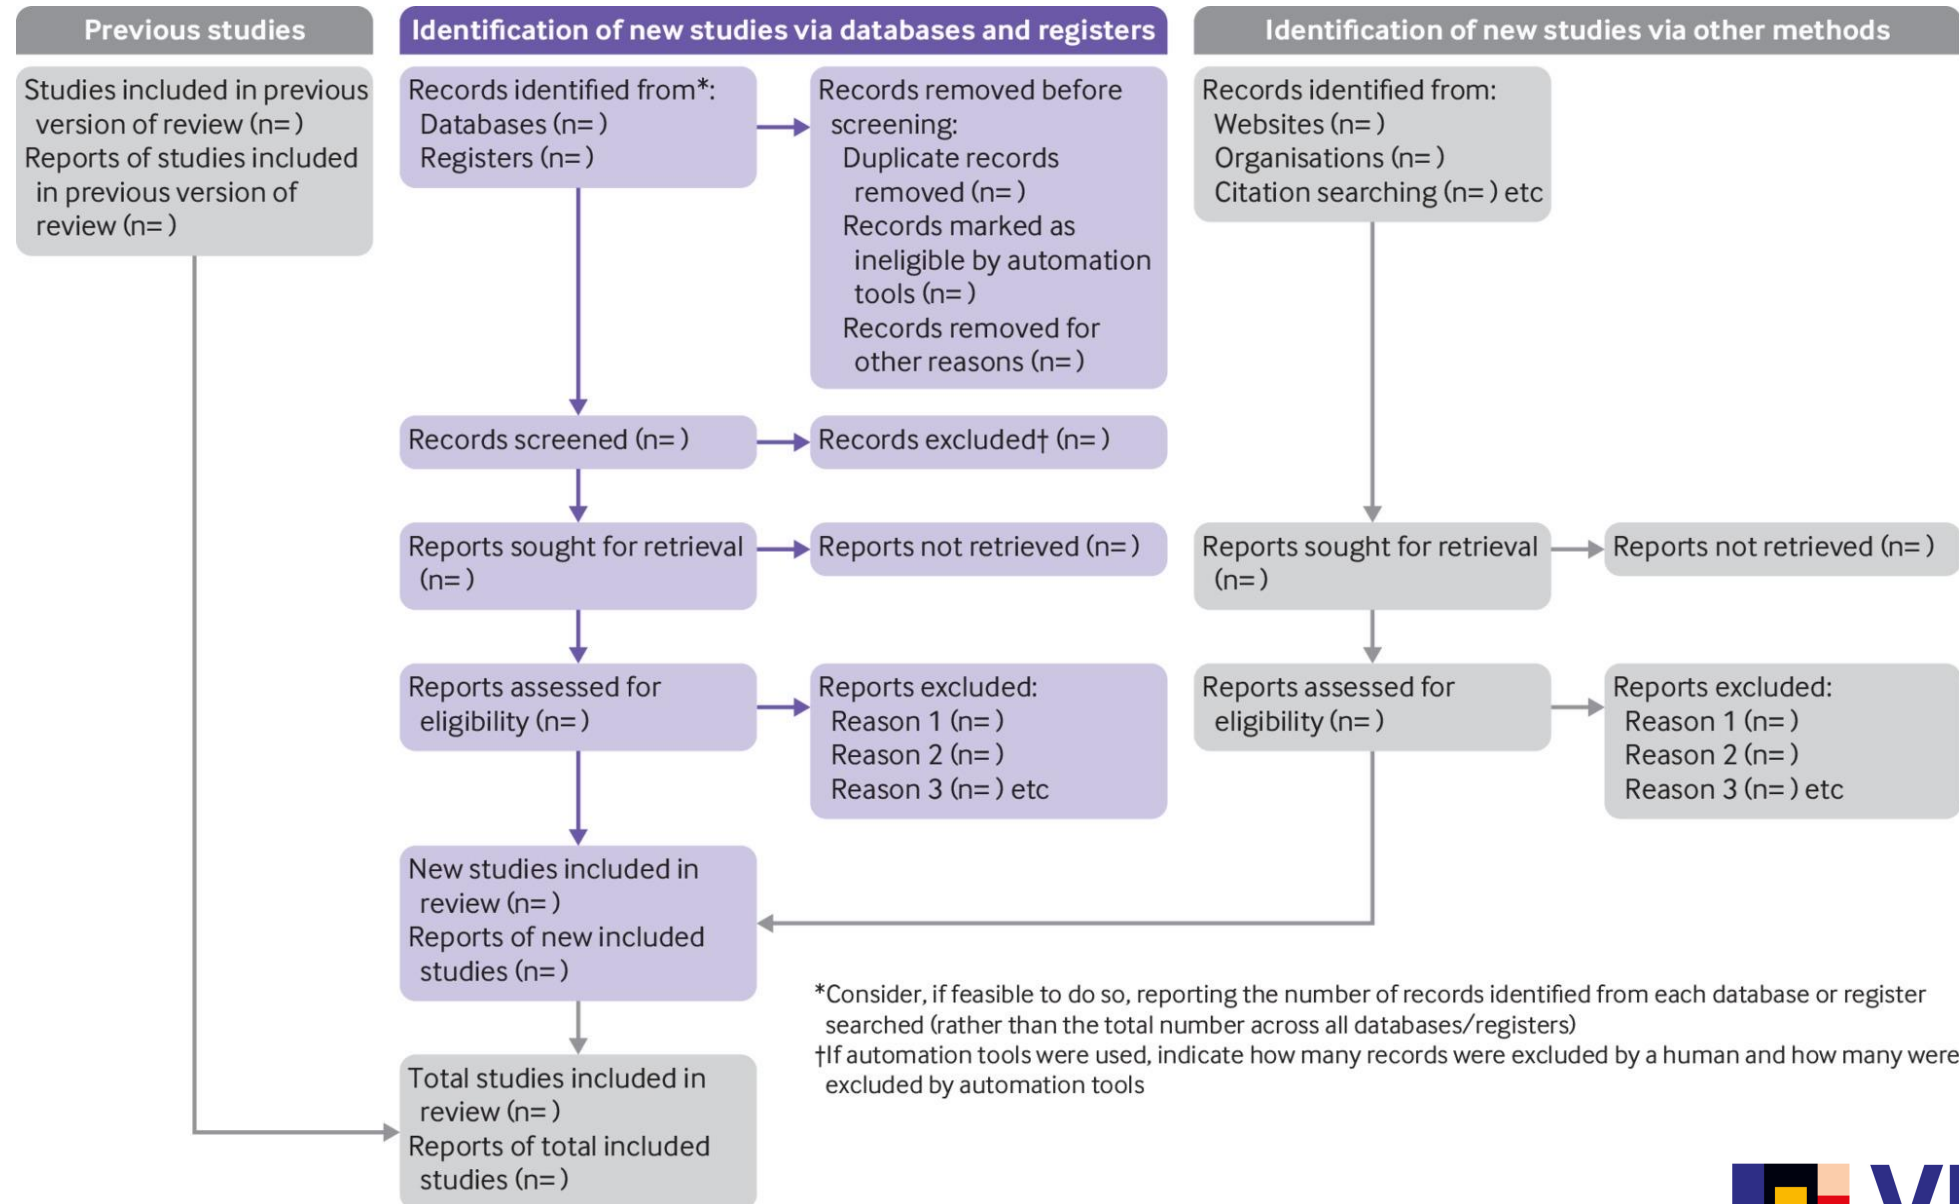

The VISION research is supported by the **UK Prevention Research Partnership** (Violence, Health and Society; MR-VO49879/1), a Consortium funded by the British Heart Foundation, Chief Scientist Office of the Scottish Government Health and Social Care Directorates, Engineering and Physical Sciences Research Council, Economic and Social Research Council, Health and Social Care Research and Development Division (Welsh Government), Medical Research Council, National Institute for Health and Care Research, Natural Environment Research Council, Public Health Agency (Northern Ireland), The Health Foundation, and Wellcome.

The views expressed are those of the researchers and not necessarily those of the UK Prevention Research Partnership or any other funder.
